

## **The Dead Baby Alpaca Goes to VCAT - answers**

### **Chapter 1:**

**What is the name of someone who stuffs dead animals?**

A taxidermist

### **Chapter 2:**

**What relation is Cuchlain to Concetta?**

Uncle

**How many alpacas must there be on Lemarli Farm if they have to be sent to 14 different farms and one alpaca will be by itself. (Remember the Man from the Shire said only 2 alpacas per farm)**

$13 \times 2 + 1 = 27$  alpacas.

### **Chapter 3:**

**Why did the Man from the Shire want the alpacas to do something wrong?**

So he could say they were bad animals and use this to get rid of them.

### **Chapter 4:**

**Why is the Shire concerned about alpaca poo?**

So that it does not contaminate other people's water supplies.

**Why is it important to know if a nuclear dump was on your property many years ago?**

Because the poisons will be there for a long long time.

**Sometimes when we are angry we say silly things. What does Natalia say we should do?**

Work within the law.

### **Chapter 5:**

**Why did Farmer Carl and Farmer Leanne take lots of photos?**

To prove what was really happening.

**Why can't Natalia travel to Melbourne if she is not halter trained?**

She will not be able to follow and she will get lost.

### **Chapter 6:**

**Why did Cream give Twinty a sympathetic nuzzle?**

Because Cream too lost a baby.

### **Chapter 7:**

**Why does the Member not want to hear squabbling?**

She has to make a decision on facts only.

**What is meant by off-site disposal?**

Taking the poo off the property.

**Chapter 8:**

**What is a desert?**

A place where it does not rain enough. Antarctica is a desert by the way.
